DRUMMING AT SCHOOL

Quick-start, high-energy sessions for any class or school size — from small groups to full assemblies. Every learner grabs a drum, feels the rhythm, and together they create powerful unity, teamwork, and fun.

Our interactive drumming sessions are designed to meet the unique needs of schools—whether it’s a fun class activity, a cultural day, a camp, or a full-school assembly. Each learner is provided with a traditional djembe drum, and our experienced facilitators guide the group through exciting African rhythms, songs, and dances in a high-energy, one-hour program.

For centuries, drumming has been recognised as a powerful tool for building connection, focus, and unity across all cultures.

Benefits of Group Drumming for Learners:

- Builds teamwork and cooperation
- Improves listening and communication skills
- Encourages respect and understanding among learners
- Boosts confidence and self-expression
- Promotes discipline and focus through rhythm
- Inspires creativity and joy

Why Drumming Works in Schools:

Drumming is a universal language that breaks down barriers and unites people. In schools, it allows learners to experience the power of teamwork in action—working together towards a common rhythm and shared goal. This creates a foundation for respect, collaboration, and school spirit.

The Program Aims To:

- Break down barriers and promote inclusion
- Strengthen bonds between classmates and peers
- Foster positive communication and listening skills
- Inspire learners to value teamwork and cooperation
- Create a memorable, uplifting experience for the whole school community
-

Drumming in schools is highly effective because every learner contributes their own unique rhythm, coming together to form a powerful percussive orchestra that celebrates diversity, teamwork, and unity.

BOOMWHACKERS AT SCHOOL

Inclusive, melody-making fun for up to 300 participants — create rhythmic excitement and collaborative harmony with colorful musical tubes.

What Are Boomwhackers?

Boomwhackers are like a funky rainbow of hollow tubes that sing different notes depending on their size. They're the life of the party, jazzing up corporate events, gathering and festivals alike.

Picture this: a sea of people jamming together, following the beat master's lead, creating music magic!

Key Benefits of Boomwhackers

- Team Cohesion – Playing in sync builds connection and shared purpose.
- Better Communication – Encourages listening, timing, and clear cues.
- Breaks Barriers – Everyone joins in equally —no roles, no ranks. Boosts Creativity – A fun way to explore rhythm and new ideas. Reduces Stress – Movement and music uplift and relax. Improves Focus – Sharpens concentration and group awareness. High-Energy Impact – A powerful way to refresh and re-energize any team.

Each Boomwhacker's color corresponds to the note it produces when struck. Through coordination and teamwork, participants strike their tubes to produce musical notes. As the activity unfolds, the music's tempo and complexity increase, challenging teams to maintain rhythm as they work towards an inspiring climax.

Boomwhackers are ideal as a distinctive conference icebreaker or energizer. This dynamic activity captivates, inspires, and energizes all involved. As a global team-building sensation, it has been successfully implemented at conferences and with teams of various sizes, sparking enthusiasm and motivation.

Ideal For: Conferences & Summits Strategy Sessions & Breakouts Icebreakers & Energisers Team Off-sites & Year-End Functions Large-Scale Corporate Events Leadership & Staff Development Days

Boomwhackers transform any class or assembly into a vibrant rhythm orchestra—fun, colourful, and perfect for teamwork and learning through music.

SCHOOL FUN DAY

School Funday combines fun challenges, teamwork, and plenty of laughter—all in a safe, well-structured, and professionally facilitated environment.

Looking to energize your students, encourage collaboration, and add fun to your school day? Drumsound Events offers a dynamic School Funday experience that combines exciting challenges, teamwork, and lots of laughter—all in a safe, well-structured, and professionally facilitated environment.

How it works:
We start by dividing students into smaller, diverse teams using interactive icebreakers. This fun introduction sets the tone for the day, helping learners step out of their comfort zones and make new connections across classes or grades.

Once the teams are formed, each group creates a unique team name and war cry—a playful exercise that sparks creativity and builds a sense of group identity from the very beginning.

Activity Zones & Team Rotation for Schools
Our facilitators set up four interactive zones, each featuring three exciting, team-based activities. Students rotate through all zones, guided by experienced facilitators who explain the rules, monitor progress, and keep energy levels high.

- These activities are designed to develop:**
- Effective communication
 - Leadership and initiative
 - Strategic thinking and problem-solving
 - Collaboration under pressure
 - Trust and mutual support among peers

- Why Choose Drumsound Events for Schools?**
- Skilled facilitators experienced in working with students of all ages
 - Structured activities tailored to class or group size
 - Emphasis on inclusivity, fun, and meaningful teamwork outcomes

Whether you want to boost class spirit, reward your students, or strengthen friendships across grades, our School Funday delivers a memorable experience packed with energy, teamwork, and fun.
